

# Your Business Opportunity in China

## Why should your business expand to China?

- > China is the world's second largest economy and the world's largest emerging market economy.
- > China is the world's largest exporter and second largest importer.
- > The customer base is vast—over 1.4 billion people, with a fast emerging middle class expected to reach 70% of the population by 2030.
- > **GDP:** Purchasing Power Parity: \$21.27 trillion USD (2016 est.)
- > **Major Industries:** Electrical and other machinery, including data processing equipment, apparel, telephone handsets, textiles, integrated circuits
- > **Exports:** \$2.011 trillion USD (2016 est.)
- > **Imports:** \$1.437 trillion USD (2016 est.)

### UPS in China

Whatever your needs are across China and the globe, UPS has the expertise in global logistics to help your business succeed. The UPS network will connect you with customers in China, the Asia region and beyond, providing you with specialized sector support to help your business expand.

#### State-of-the-art delivery network

With over 220 weekly UPS flights to and from China, you can reach 330 cities and commercial centres in China. UPS hubs are strategically located in Shenzhen and Shanghai to enable faster transit times.

There are also more than 225 UPS operating facilities across the many provinces and time zones in China, ensuring customers benefit from professional and efficient services.

As one of the world's largest customs brokers, UPS experts can easily navigate China's unique documentation and customs requirements for your business to ensure compliance and reduce the chance of potential delays and extra fees.

We've built our reputation on reliable, on-time delivery, and we work every day to make sure that doesn't change whether your shipment is to arrive next day or next week.

Our many service options not only keep you on budget and on schedule, but are complemented with innovative tracking and billing capabilities and value-added services for practically anything you ship—package or freight.
