

Your Business Opportunity in the United States

Why should your business expand to U.S.?

- > The U.S. is one of the top export destinations for businesses around the world.
- > The U.S. has one of the largest and most technologically advanced economies in the world.
- > Compared to most countries, the U.S. has low regulatory barriers and strong rule of law.
- > It has one of the most innovative consumer markets in the world, with access to global supply chains that can lead to exports to other markets.
- > **GDP:** \$18.57 trillion USD (est. 2016)
- > **Exports:** \$194.4 billion USD (est. July 2017)
- > **Imports:** \$238.1 billion USD (est. July 2017)

UPS in the U.S.

UPS knows all about getting your items to and from the U.S. With seven air hubs and over 100 operating facilities in Canada, we have the reach and efficiency to serve all 50 states. Our extensive customs brokerage network enables us to get your shipments across the border seamlessly and on time. Whether your shipping needs involve large freight, small packages or anything in between, UPS has the options and logistics to help build your presence in the U.S.
